

This is the fifth year running of our Cup of Tea Campaign

Enjoy the tea!

CUP OF TEA CAMPAIGN

*Our wish list is big, just look and see,
So please sit down for a cup of tea.
Learning is your child's ticket to live,
Please consider what you can give.*

--Rose Hill Montessori PTO

Cup of Tea Campaign

Dear Parents, Grandparents and Guardians,

We know that each one of us has made a large financial investment in our children's educational future by sending them to Rose Hill Montessori School. While tuition supports course materials, staff salaries and day to day costs, it doesn't cover all that we hope to accomplish. We have some big goals and dreams that we wish to achieve and we need your support to reach them.

Thus far we have had 4 successful years with our "Cup of Tea Campaign". Please give your support and help us to reach this year's goal of **\$5,000!**

Our wish list is big, just look and see,

This year's fund will support the following categories:

- *Scholarship Fund*

Tuition is approximately \$650 per month per child. We have wonderful families here at the school and to truly be able to help as many children as we can, we need to build up the scholarship funds so we may continue to offer more support in the coming years.

- *Teacher Educational Advancement Fund*

Rose Hill Montessori has lead teachers, as well as additional assistants, involved in the care of our children in each classroom. Conference costs average up to \$1000 per event per teacher and additional training for assistants can average up to \$300 per year. We would love to enable local attendance at continuing education events yearly while also supporting out of state conferences, every other year, with conference entry fees, travel and lodging expenses.

- *Student Educational Programs and Materials Fund*

Educational materials and expansion of the children's specialty programs range in costs, matching their potential. Examples of specialty programs we have expanded upon include music programs and a selection of sciences. Program selection is decided by all of our input at the PTO meetings.

We have chosen a lofty goal of raising **\$5,000** with this year's "Cup of Tea Campaign."

Please sit down for a cup of tea.

Your time is valuable, and this is why we started the "Cup of Tea Campaign." We decided not to do the wreath sales as it was time consuming and only a small portion of the proceeds went to the Rose Hill Montessori PTO fund. In this "Cup of Tea Campaign" 100% of your donations go to the PTO.

Please sit down, enjoy a cup of tea and think about how much money you would have been willing to spend on fundraisers such as wreath. Please consider donating that money to Rose Hill Montessori PTO. It is fully tax deductible and 100% will go to further the Rose Hill Montessori environment and your children's experiences there. Also, isn't it priceless to know that we will not ask you or your child to go door to door with fundraising projects!

Learning is your child's ticket to live,

We believe that we at Rose Hill Montessori are a strong community, committed to heightening the learning experience for all.

With the funds mentioned above, we can help support our children's education in a variety of ways and broaden their experiences.

Please consider what you can give.

Remember every dollar counts!! Starting **December 1st, 2011 through January 31st, 2012** you can send your financial support, or pledges, to the Rose Hill Montessori PTO and help us reach our \$5,000 goal in this year's "Cup of Tea Campaign." All donations will remain anonymous. Match funds information, receipts, and extra letters for family and friends are available through the Rose Hill Montessori web site.

"Free the child's potential, and you will transform him into the world."

.. Maria Montessori
