### February 2009 Calendar

#### Valentines Day Party

*by Nikita, Natasha,  
and Emilie*

On February 13<sup>th</sup>, 2009, the Lower Elementary is having a Valentines Day party. If you'd like to bring snacks or valentines, you may do so. There will be a sign-up sheet for snacks and drinks. We will play Freeze Dance, too. We're going to have lots of fun at the Valentines Day party! We celebrate Valentines Day because it's about love and how you feel good.

#### Math-a-Thon

*by Katie and Christina*

Math-a-Thon is a fundraiser for St. Jude Children Research Hospital. You can choose to do math problems online or you can have a booklet. Once you have some math problems, you can ask people for pledges. After you get pledges you can choose a prize. Then you can donate the money to your teacher and the school.

#### Blues Journey

*by Lauren Axness*

The Blues Journey was really, really cool! A lot of people

thought it was going to be boring, but it was awesome! There were two different stories that were combined and played by only four people! One was about the greatest bluesman in the world and how he made a deal with the devil. The second one was longer and it was about the storyteller when he was younger. It was really funny and exciting. At one point when a lady was singing, some people thought she looked at them! The whole thing was mostly about how colored people had to struggle to get their music on records and to get famous. It was a great way to learn and have fun!

## Rose Hill Montessori – Elementary Open House

### **Elementary Open House at Rose Hill - Tuesday, Feb 24 6:45 - 8:15pm**

We invite you to come and watch your child demonstrated their work. During this evening the elementary students show their parents and friends the work they have learned in the classroom. There is no formal presentation by the teachers. It is an opportunity for you to see the kind of work that occurs on the Montessori elementary level.
