2009 Chili Feed

Chili Feed

Thank you to all who participated in this event - we estimate that 115 people were there.

The winner of the Chili cooking contest was Lauren Axness for her "Rainbow of Chili" dish. A close second place in the voting was the Nichols family with "Chili Verde".

Mike and Becky diVittorio won the iPod and gift certificate to iTunes. Ray Otto won the Bogus Basin tubing passes for 4.

Thank you Donnalee Quinn for heading the event and for doing such a good job on the dessert table. Thank you also to the upper elementary students for their work in setting up the tables.

Finally, thank you to the Petty family for their \$50 gift. The PTO voted to award the \$50 gift to the upper elementary class for their support of the feed.

Creative Writing

By Mahalie Hill

We have a great new program at our school. It's Creative Writing! Our teacher, Norm Weinstein, is a creative man with a big imagination. He is an author

and works with the Log Cabin Literary Center. He comes every Tuesday and has us write about pictures, sounds, etc. We have a great time. This program is sponsored by the PTO.
