### Idaho History Trip

By Tiffany Douglas and Michaela Petty

On Tuesday, September 8, we set out on our exclusive 4-day Idaho History Trip. Our most amazing stop was Craters of the Moon National Monument. There, we went on a half-mile hike to

North Crater. We also went to the Potato Expo in Blackfoot. Other highlights of our trip are Bruneau Dunes, Balanced Rock, and Hagerman Fish Hatchery. They were all great! We had a wonderful time on the Idaho History Trip 2009 !!!

### MOSS Camp

By Mahalie Hill

This last month the 5th graders went to M.O.S.S. (McCall Outdoor Science School). Ecosystems and animal adaptations were the topics we looked at. We all had loads of fun. The scientific method is what we used to research a question about the forest. Then after we collected all of our data, we presented it to all the other research groups.

### J.J. Dion's Visit

By Justice Mermerian and Amelia

J.J. Dion visited the Lower Elementary class to help us with Heatherwood songs like: My Bunny, Sidewalks of New York, Dinosaur Dance, and Easter Parade. He played the guitar, ukulele, and banjo. When he was in our classroom he was making cd's. He was an awesome teacher.

By Dillon Rushton

J.J. Dion came to our school and sang Heatherwood songs. He also played music for us. We have lots of fun at Heatherwood. We played bingo. P.E. rocks. We all love school!
